

Fantastic Arts Opportunities! At Chatsworth Park UP/CD Magnet

Los Angeles Jazz Society

Jazz in Schools was initiated by the Los Angeles Jazz Society age-appropriate jazz education performances by professional musicians in LAUSD elementary schools with the purpose of introducing young people to the world of jazz.

All of the concerts are scheduled during the month of February, *Black History Month*, to recognize the cultural contribution of African Americans in creating this uniquely American music that has been embraced by the entire world.

LA Jazz Society
